

Thank you for renting from All Season Party Rentals.

Credit Cards Accepted: Visa, Mastercard, American Express
Checks are accepted with a valid local drivers license.

No refunds for unused equipment. Balance of invoice is due prior to delivery or pickup. We require a 50% deposit for all tent reservations. Cancellations on rentals and/or installations must be made fifteen days prior to event date, or else down payment is forfeited. Cancellations made after delivery, installation or pickup will forfeit all payments. Changes to rental orders should be received at least 24 hours prior to scheduled delivery or pickup time.

A valid credit card or debit card is required to rent equipment, regardless of payment method. Responsibility for all equipment remains with the lessor from the time of delivery to the time of pickup, including keeping equipment safe from inclement weather. Damage to equipment will be billed to the credit card given at time of rental for full replacement cost.

Delivery is available for orders over \$75. Delivery is tailgate only. We will notify renters of day and time of delivery and we will do our best to deliver within that period, but no guarantees are given. Setup and take-down of chairs and tables is available for an extra fee, and in this case, a site plan should be provided.

After use, tables and chairs should be knocked down and chairs stacked, ready for pick-up. All china and glassware should be re-crated, ready for pickup. Linens should be shaken out, ready for pickup; otherwise, additional charges will be added at our discretion.

A Damage Waiver of 10% of equipment rental is added to all contracts unless specifically requested to eliminate this charge. This fee relieves the lessor from ACCIDENTAL damage to the rented equipment. Accidentally damaged equipment should always be returned. Excluded from this waiver is intentional damage, misuse, theft or loss.

Our brochure and website are constantly being updated with new equipment, so check often for new products.

All Season Party Rentals performs a site inspection before any tent installation. The purpose of a site inspection is to ensure the renter and the rental company that the tent ordered will fit the renters' needs (and space) prior to arrival at the site, and to ensure the safety of the tent erection crews and the tent renter.
